DESCRIPTION OF CIRCUMSTANCES

VEHICLE DETAILS

CASUALTY DETAILS

Prepared by:	Date	
Sent to:	TS Area Ma	nager
	TS Strategic	Road Safety Officer

*The Operating Company shall inform Transport Scotland's area manager, network manager, area network manager and strategic road safety officer immediately by email after the Incident and submit this form within 24 hours.

**At an appropriate time after the Incident, ordinarily within 28 days, the Operating Company shall arrange a suitable date to visit the site with representatives from Transport Scotland's accident investigation team and Police Scotland to record the nature of the locus and establish whether any further details have come to light. The site visit is intended to ascertain at that time whether an AIP investigation is worthwhile. <u>Following the site visit</u>, <u>Part 2 of this form shall be completed and submitted electronically to Transport Scotland</u>.

FATAL ACCIDENT REPORT FORM SUPPLEMENTARY PHOTOGRAPHS

SUMMARY

As a result of discussions and information gathered from the site visit as well as consideration given to the concentration and level of accidents throughout the network it is suggested that:

Tick as appropriate

a) An accident investigation report is undertaken as part of the current year's

nrogramme

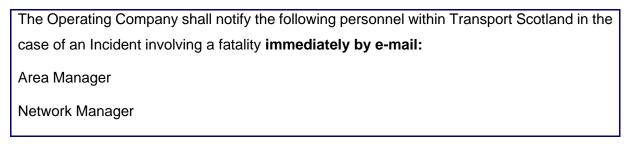

b) An accident investigation study is not required at this time.

c) A copy of the Police Scotland fatal accident report is obtained when it becomes available

Prepared by:	Date	
Sent to:	TS Area Ma	nager
	TS Strategic	c Road Safety Officer

 A copy of the form should be retained by the OC and copies submitted to TS and Police Scotland.

FATAL ACCIDENT PROCEDURES GUIDE

National Network Manager

Strategic Road Safety Officer ------REDACTED------

A detailed report using Part 1 of this form shall be submitted to the Area Manager and Strategic Road Safety Officer by Electronic Copy within **24 hours** of the incident. It shall include, but not be limited to, the following information:

- Location (preferably with plan)
- Brief description of the circumstances
- Photographs of the location if possible
- Details of casualties and vehicles involved
- Details of road conditions
- Information such as weather, roadworks, and furniture
- Outline of the emergency response undertaken
- Information about the deceased or the Police Scotland incident reference number

A joint site observation at the locus should be undertaken by the Operating Company's AIP representative, Transport Scotland's Strategic Road Safety Officer and Police Scotland, ordinarily within 28 days, of the incident.

A detailed report using Part 2 of the incident reporting procedure shall be submitted to the Area Manager and Strategic Road Safety Officer within **5 Working Days** of the site visit having been carried out.

Attachment 7.4 Daily Record Sheet

1. No. of Incidents attended (Line out for each attended)
